Approaching the market

We will seek quotes from the broader general insurance market before making a recommendation. We have arrangements with a segment of the Insurer and Underwriter market who are able to provide cover appropriate to the risk, which will enable us to find the right insurance product for you.

Remuneration

In return for the services we provide, we may receive a commission usually between 0 and 30 per cent of the premium paid (excluding relevant taxes, charges and levies) which is paid to us by the insurer, and we may charge fees. Please refer to the attached Information Statement which details our commission and any fees.

Policy Alterations and Cancellations

If a cover is altered or cancelled before the expiry of the period of insurance, we reserve the right to refund to you only the net return premium we receive from the insurer and not refund any part of the commission and our fees we receive for arranging the cover. A broker fee may be charged to process the cancellation.

Payment Terms

You are required to pay outstanding premiums within the time set out on our invoice, or as advised or agreed by our office.

Our advice to you

When making a recommendation, we will not take into consideration your personal objectives, financial situation or needs. Before taking any action, you should consider whether the advice we have provided is appropriate to you having regard to your individual circumstances. Clients should obtain and read the relevant product disclosure statements before making a decision.
